

# Assisted Living

In addition to the great services and amenities provided to all residents at The Vista on Sparks, we offer a variety of Assisted Living suites for those who require extra assistance with their day-to-day lifestyle.

## Services include:

- Team of caring and experienced professionals
- Spacious suites featuring wide doorways and large bathrooms to accommodate specialty equipment needs
- Inviting Dining Room, Activity Lounge and Terrace
- Three healthy, nourishing meals daily, refreshments available throughout the day
- Emergency response system featuring personal pendant and call button in bathroom
- Nursing care 24 hours/day
- Dedicated personal care
- Therapeutic spa bath
- Medication administration
- Bathing assistance
- Weekly personal laundry
- LHIN services welcome

The Vista on Sparks Director of Care will custom-design an attentive, individualized wellness program for each resident, tailored to meet your personal needs. We have created the Assisted Living environment with beauty and harmony in mind, knowing how much these contribute to a sense of serenity, belonging and well-being.

All of these services are provided by our well-trained, professional staff who are there to make you feel pampered and at ease.
